MUSIC EDUCATORS MEET

The Association of Christian College Music Educators met on the campus of Manhattan Christian College on October 13 and 14, 1978. Dr. Charles C. Hirt, Professor of Choral and Church Music at the University of Southern California, was special guest lecturer for an

all-day series of discussions focusing on the "Choral Experience in Church Music."

Dr. Hirt spoke concerning the role of the Choral experience in worship, current trends in church music, the hymn in contemporary worship, and sacred choral repertoire.

BENEFIT DINNERS

On the evening of November 3, 194 friends of MCC gathered for the Seventh Annual Benefit Dinner, the largest attendance in the history of this special event.

Special music was provided by the Celebration Singers, under the direction of Professor Kim Clowe.

INSPIRATION RINGERS

Ringling English handbells in praise is a newly popular and growing form of musical worship in our churches across the land. MCC sees the need to prepare young people to lead in this music ministry.

In 1974, Mrs. T. H. Johnson gave the first gift to begin our fund for a set of bells in memory of her husband and long-time president of MCC. The bells were purchased in 1975, and a choir was quickly organized. Now, four years later, we have graduates directing other bell choirs.

Interest in bell ringing continues to grow in the churches. We must also expand our college program to provide well-prepared leadership. The T. H. Johnson Memorial Bell Fund, therefore, has a new goal—a complete five-octave set of bells.

CELEBRATION SINGERS

The Celebration Singers along with the Inspiration Ringers are the musical ambassadors of Manhattan Christian College. This year's fall concert tour took them to four Southeast Kansas cities.

Highlights of the fall semester included the fall mini-tour, the Dr. Charles C. Hirt ACCME workshop on "Choral Music in the Church," an appearance at the Kansas Christian Convention, MCC Days, a Christmas television show, and the annual Christmas concert.

Second semester highlights included the production of the pulpit/musical drama In My Father's Name, the recording of a new album, and appearance at Women's Days, and the annual Spring Tour (through Kansas, Oklahoma, Texas, and Missouri).

BRASS ENSEMBLE/ NEW CREATION

Psalm 150 challenges the worshiper to praise the Lord with all musical instruments and singing. The MCC Instruments Ensemble, directed by Professor Richard Terry, exists to foster and encourage instrumental music in the Church as it relates to the ministry of music. Performances during the year included chapel services, two five-concert weekend tours with New Creation, and several music functions in area churches. It affords students an opportunity to maintain their playing abilities while permitting them to serve the Lord in an exciting ministry.

Above, New Creation (directed by Kim Clowe). Sitting: Beth Fritsch, Beverly VanDyke, Debbie Stephenson, Sharon Traiteur, Melanie Long, Janet Smith. Standing: Tim Maddock, Joyce Burchett, Jeff Cartright, Russell Shoemaker, Deaune Dunn, Henry Kozlowski, Scott Handley, Carol Eldridge, Pete Bradshaw.

PSYCHOLOGY COUNCIL

The Psychology Council is composed of students, both men and women, who desire to create an opportunity for fellow classmates to realize their potential through psychology to transform the quality of their lives.

The purpose of the Psychology Council is to acquaint the student body with Christian counseling techniques so that life's problems can be resolved in the light of the New Testament.

In its initial year, interested students met under a faculty advisor at designated times throughout the semester to discuss such items as current seminar themes and their speakers, seminar follow-up groups, and proposals for effective psychology courses.

Second Row: Tami Scates, Doug Root, Professor Lynette Olson (sponsor), Skip Milam, and Michael O'Donnell (director). Not pictured are Tim McBath, Leah Ann Cook, and Jeff Johnson.
